The undersigned agrees to the following:

- All sponsorship recognition plans, programs, and content must be evaluated and approved by the Superintendent and Finance Office, in their exclusive discretion, to insure that such plans, programs, and content do not constitute unrelated business income and are not otherwise objectionable. Examples of content that could result in unrelated business income include qualitative statements such as "Lowest prices in town!" or "Best Customer Service!"
- Sponsorships will not be accepted, and following acceptance, sponsor recognitions may be removed if, in the exclusive discretion of the Superintendent or Board, the reputation, activities, associations or affiliations of the sponsoring entity is or becomes contrary or detrimental to the principles, standards or objectives of TMA or to the Biblical principles by which TMA is guided.
- Preference between competing sponsorship applications may be given to Christian or not-for-profit organizations.
- TMA retains the right to remove any sponsorship recognition at any time if the Superintendent or the Board believes such removal is in the best interest of the school or if the corresponding sponsorship obligations are not paid in a timely manner. If a sponsorship recognition is removed for any reason other than non-payment, the sponsor will only be obligated to pay for the time the recognition was posted, and in such case, will receive a pro-rated refund for any pre-paid balances. Otherwise, sponsors are responsible to pay all sponsorship payments for the duration of the contract period for which you commit.

By signing below, I certify that I have read, understand, and agree to comply with all policies and pricing as stated above.
