

Lindsay Wood

Class of 2010

Congratulations to TMA alumna Lindsay Wood '10 who was elected as Senate President at Florida State University this past semester. After her high level of involvement at TMA, Lindsay knew she wanted to be active in FSU's Student Government. She started her involvement right away by joining FSU's Freshman Leadership Council, then became a Senator in FSU's Student Senate. After three terms as a senator, serving as Vice-Chair of the Finance Committee and Senate President Pro Tempore, Lindsay was elected Senate President. As Senate President, Lindsay helps oversee and allocate a budget of \$14 million for FSU's student union, special activities, homecoming events, concerts, and more. Lindsay will graduate from FSU this May with degrees in International Affairs and Business Management, and she can't wait

to see what the future holds.
